Are you Bringing Animals? \_\_\_\_\_ How many? \_\_\_\_\_

**NOTE:** If you are bringing animals these rules **MUST** be adhered to. All animals must have had their shots. They must be fixed (neutered/spayed). They must have been in your residence/quarantine for at least 2 weeks to protect from airborne illnesses. You must clean up any animal waste matter as soon as possible to avoid accidents. Lastly, they should be of good temperament and be able to be around other animals/people. Remember, this will be good exposure for your group/organization. You can have the people you meet come to your shelters and see the rest of your animals there, especially the skittish ones, or ones that don't do as well around other animals. **Animal Safety first!**

Vendors: Spaces are \$200 and \$250 for a corner.  
(early bird special \$150 & \$200 before June 1<sup>st</sup>.)  
It's \$25 extra for electric.

**ALL 501c3 charities bringing animals for adoption will get free spaces!**

**Please remit your payment with this application and make your checks payable to:**

Brook Katz or Brookhaven Animal Sanctuary  
2559 Blue Sage Ave
